

Alejandro Amérigo

Clean up and color, Animation, Background Art,

Summary

I have worked in animation short films as well I collaborated in animation events. I have been class and students representative during my university courses. I have experience as a character designer, animator, clean up artist and illustrator.

I have worked on projects with a great deal of complexity in terms of technical and quality requirements, knowing how to adapt to the deadlines, and with an excellent degree of satisfaction from the client.

I am hardworking, organized and also very creative with high communications and team working skills.

Right now, I'm searching for a role in an animation studio.
